LAUREL

Laurel combines the very best of Mid-Century design with winning attributes of modern design. The arms and side wing profiles retain a gently rounded shape, which only goes to further enhance the inviting, cosy feel of this range. The model sits on rounded skittle-style feet for that retrospective inspired feel.

A natural extension of the brand's existing homeware ranges, the Orla Kiely upholstery and bed collection will become 'part of your everyday'. Available in a curated selection of fabrics including colourful velvets, textured plains and iconic Orla Kiely patterns. Creating your own individual look has never been easier.
