Loftus Walnut — Bedding Range

An eclectic blend of shapes and forms, the fashionable Loftus Oak range takes inspiration from sophisticated mid-century style through hints of both retro and Scandinavian design.

Crafted from a combination of walnut veneers and sculpted solid walnut legs, this strikingly beautiful range's engineered mitre joints ensure lasting quality atop aesthetic satisfaction.

Cleverly-concealed storage space in the range's dressing table and stool ensure a collection as space-saving as it is stylish.

Our Sales Assistants are fully trained on this range so feel free to ask them any questions in-store or online.
