Loire— Bedroom Range

- This is an elegant range of bedroom furniture that has been made from Indonesian mahogany and mahogany veneers. From managed forests where timber is grown specifically for furniture production.
- The range has chests of drawers with gently bowed fronts to add elegance and sophistication, also the graceful sleigh bed, available with bow low and high foot end, combines with the other pieces to form a range that is at once traditional and chic.

Our Sales Assistants are fully trained on this range so feel free to ask them any questions in-store or online.
